

Empowering Speech PUBLIC SPEAKING WORKSHOP

Public Speaking Los Angeles

Public speaking is 5% direction...and 95% doing. However, more often than not, most individuals lack the very simple and practical direction needed to compose and deliver memorable presentations with confidence and credibility. The Empowering Speech public speaking workshop provides the foundational tools needed to create and present any and all presentations. You don't need to spend a lot of time or money – you just need some brief, real-world, user friendly guidance.

- Professor Duane Smith

Format: Traditional classroom setting - a very comfortable, supportive environment for individuals seeking to address any challenges or develop their most valuable skill-set.

Training conducted:

1:00pm-4:00pm: Public Speaking Training
